

# An Interfaith Forum

to address gun violence, a spiritual and moral crisis

**Saturday, June 20, 2009**

**1:30 p.m. - 3:15 p.m.**

**Sikh Religious Society**

1280 Winnetka Street, Palatine, IL 60067

Every year gun violence in Illinois claims over 1,000 lives. This past year was exceptionally tragic with the high-profile shooting of a pastor in his Maryville church and the gun violence in Chicago that claimed the lives of far too many children. The faith community in Illinois has a long history of providing leadership for social change efforts.

**Please help us end this epidemic of gun violence.**

Clergy and lay leaders of all faiths are welcome to attend.  
RSVP to Mark Walsh at [mark@icpgv.org](mailto:mark@icpgv.org) or call Michelle Jordan at (312) 602-3330 of the Illinois Campaign to Prevent Gun Violence.
