

**STUDENT PETITION:
STOP GUN VIOLENCE NOW**

To: The Illinois General Assembly

We, the undersigned youth, are very concerned about gun violence. Every year, over 100 hundred Illinois children and youth die from gun violence. From 1999 to 2006, 3,369 children and young people have been killed by guns in Illinois. **How many more young people have to die before we have stricter state laws?**

You have the power to do something about gun violence. Please support laws that can help reduce the easy access to handguns and the lethality of the weapons on our streets.
